Nord

**Identified Casualties:**

**Location Information**

Zuydcoote is a village in the Department of the Nord about 10 kilometres north-east of Dunkirk. The Military Cemetery is west of the village and about 550 metres east of Zuydcoote Halte.

**Historical Information**

In the autumn of 1917, while the XV Corps was holding the Nieuport section, the 34th and 36th Casualty Clearing Stations were posted at Zuydcoote. The Military Cemetery contains, for the most part, the graves of officers and men who died in these hospitals.

There are now over 300, 1914-18 war casualties commemorated in this site and the cemetery covers an area of 1,042 square metres and is enclosed by a wall.

On the West side of it is Zuydcoote French National Cemetery, made after the Armistice, and containing over 1,000 French and 170 German graves.
